

9 of the best... Apps for smart shopping from your phone or tablet

Jonathan Adler's daily 'Adlerisms' of wise wit tie in with his 'happy chic' ethos. You can shop his products, too (jonathanadler.com).

Spanish porcelain brand **Lladró** lets you 'try out' its ceramics at home by adding them to a photo of your space (lladro.com).

De Le Cuona's app showcases its fabrics and hot new accessories, plus you can request samples (delecuona.co.uk).

Shop Style brings together brands from Toast (pictured) to The Conran Shop, all under one digital roof (shopstyle.co.uk).

Browse **Cappellini**'s newest collections to find the pieces you like. Then look up your nearest store and buy them (cappellini.it).

Lapada, The Association of Art and Antiques Dealers, helps you find specialist dealers and browse stock (lapada.org).

Yoox.com's design-led products include this 'Eu/phoria' chair by Paola Navone. Use the app to create a 'Dream Box' wish list.

Scan a product barcode with the **Home & Garden Store** app and it will tell you the price on Amazon. Genius (amazon.co.uk).

An interactive **Harrods** store guide with GPS navigation, an events list and a tour with audio commentary (harrods.com).
